## CAMPING/CABIN RESERVATION SYSTEM

### INFORMATION

The Department of Environmental Conservation (DEC) operates all State campgrounds within the Adirondack and Catskill Forest Preserves. The Office of Parks, Recreation & Historic Preservation (OPRHP) operates all other camping areas and cabins in New York's state parks. Through the New York State Camping/Cabin Reservation System, you may reserve space, which will guarantee accommodations at any state camping area. Services, programs and facilities vary among campgrounds.

Contact the park for current schedules. While reservations are not required, they are highly recommended. You can also rent any available campsite or cabin as a "walk-up" on a first-come, first-served basis when you arrive ready to camp.

*Fees, policies and Call Center hours are subject to change at any time.*

## CAMPER ALERT: DON'T MOVE FIREWOOD!

A new regulation is now in effect that prohibits moving untreated firewood more than 50 miles from its source. The regulation also bans importing firewood into New York unless it has been kiln-dried to kill invasive insects.

You can help protect our forests and campgrounds from tree-killing insects and diseases:

- Leave firewood at home - do not bring wood from home to campgrounds or parks.
- Only use firewood from local sources, or wood that has been heat-treated to kill pests.
- Burn ALL your wood before leaving your campsite.
